Appendix: consent to share statement with cared for person **Name of child/young person.....**

Fife Council has implemented improvements to local policy and processes in line with the Carers (Scotland) Act 2016. Part of the service to young carers is that local authorities now have a duty to offer and provide a young carer statement. This statement will focus on the impact of the caring role and the young person goals but will also have information about the cared for person. If you wish the Council to share this Statement with the person being cared for then your consent is required (or your parent's consent if you are under 12 and the person being cared for is not your parent).

FOR CHILDREN OVER 12

DO YOU CONSENT TO THE YOUNG CARER STATEMENT BEING SHARED WITH THE PERSON YOU CARE FOR?

YES NO

Please note that if you do not wish to consent then this does not affect the Services offered to you by Fife Council.

FOR CHILDREN UNDER 12

DO YOU CONSENT TO YOUR CHILD'S YOUNG CARER STATEMENT BEING SHARED WITH THE PERSON THEY CARE FOR?

YES NO

Please note: This will be stored in the child's file for a maximum of two years. If you have any queries you can contact us, email: dataprotection@fife.gov.uk.
